To Whom It May Concern:

It is with pleasure that I recommend Alison Schorsch. I have unofficially observed her art lessons this past year and was quite amazed as to how much the students learned and progressed in art techniques.

Alison has displayed integrity, responsibility, and ambition. She is an innovative teacher that is always willing to go the extra mile for her students.

She is willing to learn and participate in professional development classes.

Alison would be an asset to any organization, and I am happy to give her my wholehearted endorsement. Please feel free to call me at home (706)327-8893 during the summer or at school (706)545-7873 during the school year.

Sincerely,
